VII. ACTIVIDADES METODOLÓGICAS

➤ OPENING

At the beginning of this class, the students are going to present the information they found about their countries, is no something formal, just to know they are interested in their final presentation, after all the students come to the front and explain. After that, I will do a little review about the previous topic and give an explanation about countries and nationalities.

➤ DEVELOPMENT

After that, I will do a little review about the previous topic and give an explanation about countries and nationalities.

A little game is going to be developed called the "matching game" in which I will be reading questions such as " a person from japan is...?" and a random students have to answer, they are going to be divided into three groups, and the group with more good answers will a point. Then I will give then two puzzles for them to fill. And finally then we will check the information in the puzzle.

➤ **Closure**

An extracurricular activity, the students were asked to bring cardboard, scissors and glue to create some flags, the idea is that they relax a little bit and star familiarized with the country they choose.

VIII. MATERIALS

- Copies
- Worksheets

IX. EVALUACIÓN

For this class, participations and the development of the worksheet will be taking into account.
