

PIZZA

PIZZA

Pizza was invented by a gigantic AMERICAN  
(adjective) (nationality)

chef named Sara. To make a pizza, you need  
(person)

to take a lump of table, and make a thin, round  
(noun)

fed house. Then you cover it with  
(adjective) (noun)

nice sauce, white cheese, and fresh  
(adjective) (adjective)

chopped book. Next you have to bake it in a very  
(plural noun)

hot rabbit. When it is done, cut it into many  
(noun) (number)

egg/oval. Some kids like hamburger pizza the  
(shapes) (food)

best, but my favorite is the twenty pizza. If I could, I  
(food)

would eat pizza few times a day!  
(number)
