Superheroes

by Harry Bartley

I have two superhero action figures. Superman and Spider-Man. Superheroes have amazing powers. They are great.

My favorite superhero is Superman. He is strong and fast. He can fly, run, and jump. His clothes are blue, red, and yellow. He has a red cape and red shoes. He has black hair. It is short.

Spider-Man is cool. His clothes are red and blue. He can't fly, but he can climb. His legs, arms, and hands are strong.

I like Batman, too. In the old Batman movies, he has a blue cape and his clothes are gray, blue, and yellow. In the new movies, his clothes are black.
