

Madre Bernarda School

Seventh Grade (7°2- 7°4- 7°5)

116 students and are around 11 and 13 years old.

Madre Bernarda School is located in Ciénaga de Oro , specially in Julio Manzur neighborhood, which is a public School.

Some of the students belong to dysfunctional families and may it could discourages a little the academic track of the students and does not favor the collaboration between parents and school a lot; But it does not represent any problem, students were encouraged, responsible and active during their classes.

# Experience

## I found...

- Reluctant students -
- unfocused students
- Discipline problems
- Low English level

## Strategies applied...

- Ask them to help me with something (Anything!)
- Pull them aside and offer to give a second chance
- Silence and wait
- Use of games (kinesthetic activities)
- Socio affective strategies

## Results...

- motivated students
- Independent learners
- successful students
- Love for the subject
- desire to learn more

## Difficulties...

- Lack of Time
- Extra Activities
- Environment

# Reflection!

I have been able to reflect on my experience and learn so much more about who I am becoming as a teacher , and how much I have grown as an individual. Through the process of my teaching practicum I can say that it is describe such as:

- Deeper understanding and awareness
- Challenge
- A Talent
- Moment to cherish
- Devotion

Thank you for your attention!
