

My Teaching Practicum Experience

JUAN LUIS RHENALS BOHORQUEZ

Before starting presenting I'd like to share something.

- ▶ Forget for a while who you are, and discover the new yourself while teaching.
- ▶ Love what you do, no matter if you feel you're not doing it well... just do it.
- ▶ Give the best version you can give when teaching.
- ▶ Don't say no!!! Always say yes...

Context

- ▶ Institucion Educativa Lorenzo Maria Lleras INEM sede Universidad de Cordoba.
- ▶ Grades 2nd and 5th... and sometimes garden, and pre-garden, and transition, and 1st, and 3rd, and 4th.... 😊
- ▶ It is a semi – private institution that counts with adequate materials and resources.
