Institución educativa santa María Goretti

CONTEXT

- ❖ A public school located in Monteria-Cordoba.
- ❖ One hundred seventy students from Fourth grade.
- ❖ This school is divided in two parts.
- ❖ library, sport field, photocopying room, a room for teachers, a school store and computer room.

PROBLEMS

- ▶ Size of the classroom
- ▶ Discipline
- ▶ Time
- ▶ Method

Strategies

- ▶ Avoid those kind of activities such as: role play and presentations.
- ▶ Speak in English while they were misbehaving.
- ▶ Teach to students to make match the Word with an action or image.

RESULTS

- ▶ Students enjoyed the English class.
- ▶ Got new knowledge.
- ▶ Discovered the different ways to learn.

REFLECTION

As a Pre-service teacher

- ▶ The scores does not show how much a student know, for that reason a teacher must to take into account the student process.

As a researcher

- ▶ The English method that teachers at schools apply, influence the student's learning process.
