

When I Grow Up

Min: Mei, what do you want to be when you grow up?

Mei: When I grow up, I want to be an astronaut. I want to go to space and explore other planets.

Min: What if you can't be an astronaut? What else do you want to be when you grow up?

Mei: Well, I also want to be a scientist. I want to work in a lab and do experiments. How about you, Min? What do you want to be when you grow up?

Min: When I grow up, I want to be an athlete. I want to play baseball for the *Bears*.
